News and information

Changes to 1|2|3 Select and Private Current Accounts

From 12 April 2021 we're reducing the 1|2|3 Select and Private monthly fee to maintain the account from £5 to £4. We're also reducing the interest rate paid on those current accounts.

Changes to 1|2|3 Student, Postgraduate and Graduate Current Account

From 12 April 2021 we'll no longer pay interest on our 1|2|3 Student, Postgraduate and Graduate accounts.

For customers who start their second year on the 1|2|3 Graduate Current Account from July 2021 onwards, we're also reducing the interest-free overdraft amount on the account from £2,000 to £1,000. If you use more than £1,000 of your overdraft, you'll be charged interest on the amount above £1,000. If you're already in your second year of the account, you won't be affected by this change.

We have written to everyone affected by the above changes, and for more information visit santander.co.uk
